DOMINION ORDERS IN COUNCIL.

[776]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Thursday, the 17th day of April, 1913.

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR
IN COUNCIL.

WHEREAS the Government of the Province of British Columbia has, under the terms of an agreement between that Government and the Government of the Dominion with reference to mineral lands in the Railway Belt, as set out in the Order in Council of the 11th February, 1890, applied for a grant of the undermentioned lands, and has complied with the provisions of the Order in Council of the 13th May, 1890, by filing the sworn declaration of Peter Burnet, Dominion Land Surveyor, to the effect that the lands in question are of no value for agricultural purposes, or for the timber growing thereon, and has paid therefor at the rate of \$1 an acre the sum of two dollars and forty cents (\$2.40), the said lands being:—

That certain parcel or tract of land situate in the eighteenth Township, in the twenty-second Range, west of the 6th meridian, comprising the "Pretoria Fractional" Mineral Claim, being Lot Number Two hundred A, in Group One, in the Ashcroft Mining Division of the Yale District, in the Province of British Columbia, and which may be more particularly described as follows:—

Bounded on the north, west, and south by the "Transvaal," "Chamberlain," and "Pretoria" Mineral Claims, respectively, as transferred to the Province of British Columbia by an Order in Council dated the twenty-first day of May, one thousand nine hundred and six; and bounded on the east by a straight line joining a wooden post and mound at the north-easterly corner of the said "Pretoria" Mineral Claim with a wooden post in mound at the south-easterly corner of the said "Transvaal" Mineral Claim; the said parcel containing by admeasurement two acres and four-tenths of an acre, more or less; all according to the plan and field-notes of the said "Pretoria Fractional" Mineral Claim, signed by Peter Burnet, Dominion Land Surveyor, and dated the twenty-ninth day of April, one thousand nine hundred and four, and of record in the Department of the Interior under Number Twelve thousand three hundred and fifty-three:

Therefore, His Excellency in Council is pleased to order as follows:—

The title to the lands herein described is hereby vested in His Majesty King George the Fifth for the purposes of the Province of British Columbia under the terms of the agreement and Order in Council hereinbefore referred to.

RODOLPHE BOUDREAU,

my15 Clerk of the Privy Council.

[778]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 7th day of April, 1913.

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR IN COUNCIL.

THE Acting Minister of the Interior, under date the 12th March, 1913, submits that sale was made by the Department of the Interior to James Gadsden at the rate of \$1 per acre, subject to reclamation conditions, of a tract of marsh land in Township 28, Range 22, west of the 5th meridian, in the Railway Belt of British Columbia, and being parts of Sections 16, 17, 20, and 21, lying between the Canadian Pacific Railway on the east and the Columbia River on the west, comprising an area of 633.4 acres:

The Minister states that in connection with the sale Mr. Gadsden paid into the Department of the Interior the sum of \$672.62:

That Mr. Gadsden has done very considerable work, by way of the construction of ditches, channels, and flood-gates, and inspections of the same have been made by officers of the Department of the Interior, and it is reported that the enterprise was a particularly difficult one owing probably to the centre of the marsh being below the level of the Columbia River, making the centre portion of the tract difficult of successful reclamation, but that the reclamation has been partially effective; that Mr. Gadsden has been earnest and *bona fide* in his endeavour to complete the scheme; that he has made large expenditures in that connection, and that it is inadvisable to insist on the full completion of an undertaking which, from an engineering standpoint, might only involve waste expenditure. The proposition, therefore, has been treated as a partial reclamation, and title will be withheld for the portions classified by the officers of the Department of the Interior as still unreclaimed, amounting to 240 acres and shown on the schedule hereunto annexed, marked "A." The reclaimed portions amounting to 393.4 acres are shown on the annexed Schedule "B."

By subsection (b) of section 38 of "Regulations for the Survey, Administration, Disposal, and Management of Dominion Lands within the Forty-mile Railway Belt in the Province of British Columbia," of the 17th September, 1889, power was

delegated to the Governor in Council, upon the recommendation of the Minister of the Interior, "to encourage works undertaken with a view of draining and reclaiming swamp lands by granting to the promoters of such works remuneration in the way of grants of the lands so reclaimed, or of such portions thereof or any other land, as may be deemed fair and reasonable."

The Minister, therefore, recommends that title issue to James Gadsden for the lands described in the said Schedule "B."

The Committee submit the foregoing recommendation for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.
